## **BOOK SYNOPSIS**

"Even though depression has periodically made me feel that my life was not worth living, has created havoc in my family, and sometimes made the work of teaching and writing seem impossible," writes David Karp, "by some standards, I have been fortunate." Indeed, depression can be devastating, leading to family breakups, loss of employment, even suicide. And it is a national problem, with some ten to fifteen million Americans suffering from it, and the number is growing. In *Speaking of Sadness*, Karp captures the human face of this widespread affliction, as he illuminates his experience and that of others in a candid, searching work. Combining a scholar's care and thoroughness with searing personal insight, Karp brings the private experience of depression into sharp relief, drawing on a remarkable series of intimate interviews with fifty depressed men and women. By turns poignant, disturbing, mordantly funny, and wise, Karp's interviews cause us to marvel at the courage of depressed people in dealing with extraordinary and debilitating pain. We hear what depression feels like, what it means to receive an "official" clinical diagnosis, and what depressed persons think of the battalion of mental health experts--doctors, nurses, social workers, sociologists, psychologists, and therapists--employed to help them. We learn the personal significance that patients attach to beginning a prescribed daily drug regimen, and their ongoing struggle to make sense of biochemical explanations and metaphors of depression as a disease. Ranging in age from their early twenties to their mid-sixties, the people Karp profiles reflect on their working lives and career aspirations, and confide strategies for overcoming paralyzing episodes of hopelessness. They reveal how depression affects their intimate relationships, and, in a separate chapter, spouses, children, parents, and friends provide their own often-overlooked point of view. Throughout, Karp probes the myriad ways society contributes to widespread alienation and emotional exhaustion. *Speaking of Sadness* is an important book that pierces through the terrifying isolation of depression to uncover the connections linking the depressed as they undertake their personal journeys through this very private hell. It will bring new understanding to professionals seeking to see the world as their clients do, and provide vivid insights and renewed empathy to anyone who cares for someone living with the cruel unpredictability of depression.

**SPEAKING OF SADNESS DEPRESSION DISCONNECTION AND THE MEANINGS OF ILLNESS**

- Are you looking for Ebook Speaking Of Sadness Depression Disconnection And The Meanings Of Illness? You will be glad to know that right now Speaking Of Sadness Depression Disconnection And The Meanings Of Illness is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. Speaking Of Sadness Depression Disconnection And The Meanings Of Illness may not make exciting reading, but Applied Numerical Methods With Matlab Solution Manual 3rd Edition is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with Speaking Of Sadness Depression Disconnection And The Meanings Of Illness and many other ebooks.

We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with Speaking Of Sadness Depression Disconnection And The Meanings Of Illness. To get started finding Speaking Of Sadness Depression Disconnection And The Meanings Of Illness, you are right to find our website which has a comprehensive collection of manuals listed.
