

The Universe in Your Hand A Journey Through Space Time and Beyond

BOOK DETAILS

- Author : Christophe Galfard
- Pages : 400 Pages
- Publisher : Flatiron Books
- Language : English
- ISBN : 1250069521

BOOK SYNOPSIS

"If Ms. Frizzle were a physics student of Stephen Hawking, she might have written *THE UNIVERSE IN YOUR HAND*, a wild tour through the reaches of time and space, from the interior of a proton to the Big Bang to the rough suburbs of a black hole. Its friendly, excitable, erudite, and cosmic." —Jordan Ellenberg, *New York Times* bestselling author of *How Not To Be Wrong* Quantum physics, black holes, string theory, the Big Bang, dark matter, dark energy, parallel universes: even if we are interested in these fundamental concepts of our world, their language is the language of math. Which means that despite our best intentions of finally grasping, say, Einsteins Theory of General Relativity, most of us are quickly brought up short by a snarl of nasty equations or an incomprehensible graph. Christophe Galfards mission in life is to spread modern scientific ideas to the general public in entertaining ways. Using his considerable skills as a brilliant theoretical physicist and successful young adult author, *The Universe in Your Hand* employs the immediacy of simple, direct language to show us, not explain to us, the theories that underpin everything we know about our universe. To understand what happens to a dying star, we are asked to picture ourselves floating in space in front of it. To get acquainted with the quantum world, we are shrunk to the size of an atom and then taken on a journey. Employing everyday similes and metaphors, addressing the reader directly, and writing stories rather than equations renders these astoundingly complex ideas in an immediate and visceral way. Utterly captivating and entirely unique, *The Universe in Your Hand* will find its place among other classics in the field.

THE UNIVERSE IN YOUR HAND A JOURNEY THROUGH SPACE TIME AND

BEYOND - Are you looking for Ebook *The Universe In Your Hand A Journey Through Space Time And Beyond*? You will be glad to know that right now *The Universe In Your Hand A Journey Through Space Time And Beyond* is available on our online library. With our online resources, you can find *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. *The Universe In Your Hand A Journey Through Space Time And Beyond* may not make exciting reading, but *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with *The Universe In Your Hand A Journey Through Space Time And Beyond* and many other ebooks.

We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with *The Universe In Your Hand A Journey Through Space Time And Beyond*. To get started finding *The Universe In Your Hand A Journey Through Space Time And Beyond*, you are right to find our website which has a comprehensive collection of manuals listed.
