BOOK SYNOPSIS

Sex. Murder. Blackmail. Revenge. Life in the Big Easy can be a real bitch. Meet Jon Fox, a sexy New Orleans private detective with more family secrets than even he knows about. But his latest case is about to bring more to the swampy surface than Fox himself could ever have guessed- A polite old lady with a plot to murder a stranger; A mother whose secret sent her insane; An uncle with complete control over the family empire; A father whose suicide might once again tear his family apart; And a hot, handsome, clueless blond with a knack for being in the wrong place at the wrong time. Yes, meet Jon Fox. A New Orleans private detective whose complicated life...just got a little more complex.
